

# GOD-CONNECTED FAMILY TIME

IDEAS FOR A DAILY TIME WITH GOD

#### THE IDEA

At present, we are living in very strange times.

There is such an opportunity for us as the Church and as individuals to re-focus our priorities and go deeper in our relationship with God.

With families being stuck at home due to Government regulations, church has moved into the home environment.

Wouldn't it be amazing if the Church around the nation turned their homes into houses of prayer at this time?

We understand your children are unlikely to connect with a long online prayer meeting (plus, they are often after bedtime).

So hopefully this resource may help with some creative ideas of how to have a God-connected time in your home.

There is no set pattern, pick whichever ones are possible and give it a go...you can also use any of your own ideas too.

We pray that God moves in your family in a powerful way.

#### **USING THE RESOURCE**

#### READ:

The ideas give a Bible reference to start with. Taking time to help each other find the correct book, chapter and verse is a great way of helping your children to find their way around their Bible. You could choose one person to read the verse or repeat it by having everyone have a go at reading.

#### CHAT:

Once you have read the Bible together, spend a few minutes chatting out loud about your thoughts and questions. Let the conversation flow, even if there are some strange tangents (you can bring it back in whenever you want to), If you are stuck for conversation ideas, there are some suggestions in the resource.

#### CONNECT

Our relationship with God is two-way and rather than just 'praying to Him', these ideas could help us connect with Him in a deeper way. There are a variety of ideas shared but feel free to use your own creativity and follow wherever God leads.
