WELCOME

Welcome to Elim Leaders' Summit 2022. It's so good to be gathering again at Summit as we seek to encourage and connect with one another and encounter God's transforming presence and power. Our theme for Summit is Mission Hearted. We come together not simply for another event, but to align our hearts, our ministries and the churches and resources for which we are responsible to move forward with greater courage, creativity, and compassion in the mission that God has for us as a movement. I pray that over these days we will all experience a fresh infilling of the Holy Spirit and that there will be defining moments for each one of us as we recommit to serve God's purposes in the season ahead.

4 WHAT'S ON

PROGRAMME

We're delighted that you're joining us in Harrogate at the Elim Leaders' Summit 2022. We look forward to a great three days as we spend time together in the company of friends and in the presence of our God.

Our programme will consist of main sessions, seminars, and business sessions. We also have eight exhibitors' seminars that will be in King's Suite. All our sessions excluding the exhibitors seminars will be available as free MP3 downloads. See page 7 for more information.

MAIN SESSIONS

Join everyone for defining moments of vibrant worship, engaging teaching and personal encounters with God that will inspire, encourage, and empower.

BUSINESS SESSIONS

This year the business sessions will be in the Royal Hall and will only be open to ministers and lay representatives.

CONNECTION TIME

As we regather at the Harrogate Convention Centre, we know you'll want to reconnect with friends as well as have the opportunity to network with new ones. To help facilitate, we have adjusted the schedule to provide more time to connect with each day starting at 9am.

There are two hours to connect with friends on Tuesday morning. Pick up your event pass from registration at 9am and head to the exhibition hall Q to grab a coffee and meet with other delegates.

Our mid-morning breaks on Wednesday and Thursday have been extended to an hour to allow a more meaningful time to connect. You'll also have time to meet up over the lunch and dinner breaks, as well as after-hours.

SEMINARS

We have gathered an outstanding line-up of speakers for our Summit seminars. They bring experience from the front line of effective mission and creative leadership into our mission journey.

Along with a great range of seminars these sessions are designed to speak into the Advance In Mission conversation and allow us to hear from leaders with different perspectives on the challenges and opportunities we face in pursuing the radical and changing mission of the church in a rapidly changing culture and world.

The lunchtime seminar sessions are divided into four streams - Heart, Hands, Head, Eyes.

Heart

For those looking to encounter God and help others to encounter God during this season.

Hands

For those looking to help people navigate pain, loss, and mental health challenges and how we can respond both pastorally and missionally.

Head

For those looking to think through how we engage with some of the more challenging cultural issues of our day.

Eyes

For those looking to develop fresh ways of engaging with God and the mission of God.

MISSION-HEARTED OFFERING

This year we want to focus our one Summit offering on sowing into mission hearted initiatives around the UK and the globe through our Elim mission partners. As we pursue our missional priorities in the next few years, we have some exciting opportunities opening to pioneer discipling and church planting movements.

With our Elim Global partners, including Boureima Diallo in Burkina Faso and surrounding nations, through Bhab Ghale, Steve Kempton and United Vision Nepal planting churches with Elim in Cambodia, and an amazing opening for church planting in Peru.

Closer to home, we want to sow into new outreach and pioneer works in local towns and communities.

This is an opportunity for the Elim family to join in *“Giving beyond ourselves”*. We are asking you to give prayerfully and sacrificially, believing that even the smallest gift will be fruitful in establishing new gospel communities in places and amongst people not yet reached with the gospel.

“He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness.” 1 Cor 9.10

The offering will be taken on Wednesday evening. Cheques should be made payable to Elim International Centre. Gift Aid declarations for larger donations by cheque given by UK taxpayers are available from the Elim finance team in the exhibition area.

The unstoppable mission of God

At the core of the Christian gospel is a God of mission who sent His only Son Jesus as the Saviour of the world. Jesus called and still calls people in real places to life-changing relationships. It is time for us to respond afresh to His call and to join Him in His unstoppable mission.

The son of Elim pastor Des Cartwright, Chris was ordained in 1993 and ministered for over twenty-five years in two city churches. He began his ministry in the late 1980's serving on the pastoral team in Kensington Temple in a variety of ministry roles including worship pastor and Director of IBIOL. From 1997 to 2010, Chris was the senior pastor of the City Temple in Cardiff. In 2010, he became the Regional Leader for Wales and the Southern Region before being appointed as the General Superintendent of Elim in May 2016. Chris is married to Annie.

MAIN SESSIONS

9.00 – 10.30am

RICH VILLODAS

The abiding life

We live in a fractured world. A “CPR” world. The convergence of Covid, Political animus and Racial fragmentation has intensified the existing challenges in our lives and communities. How do we abide well in God, with others and with ourselves at this moment? In this session, Rich Villodas will explore “the abiding life” out of John 15. We will discover that the key to our wholeness is found in the way of Jesus.

2.00 – 4.00pm

Spiritual formation for this generation

Rich Villodas will offer a robust, integrated framework for spiritual formation that holds together the values of contemplative rhythms, racial justice, interior examination, sexual wholeness, and missional presence. You will gain a theology to engage these areas, and a few practices to help you get started on the journey. The framework you will be exposed to comes out of Rich’s award-winning book, *The Deeply Formed Life*.

Rich Villodas is the Brooklyn-born lead pastor of New Life Fellowship, a large, multiracial church with more than seventy-five countries represented in Elmhurst, Queens. He is

also a key speaker for Emotionally Healthy Discipleship—a movement that has touched hundreds of thousands of people. Rich graduated with a BA in pastoral ministry and theology from Nyack College. He went on to complete his master of divinity from Alliance Theological Seminary. His award-winning book, *The Deeply Formed Life*, was released in September 2020. Rich is married to Rosie.

Dr Andrew Ollerton is a pastor and theologian who makes complex ideas simple. Andrew is the author of *The Bible: A story that makes sense of life* and *The Bible Course*, a popular group resource published by Bible Society. Andrew is married to Charlotte.

YOUNG LEADERS

Something is stirring in this generation. Whilst Millennials and Gen Z face unprecedented challenges in a rapidly changing spiritual, moral and ethical landscape, we are seeing growing evidence of a rising tide of young people who are believing God for a fresh outpouring of His Spirit and grace for their generation.

The young leaders track arises out of our belief that God is raising up young leaders to speak into this generation with courage and creativity, faith and fervour. It seeks to gather, inspire, equip and envision those with a heart to make a difference in their generation. The sessions will involve a rich mix of worship, prayer, powerful teaching, group discussion and ministry.

CHILDREN'S WORKERS

As one Movement, we believe in the significance of each generation. Children are the church of both today and tomorrow. During the last couple of years, our children and families have faced a huge range of unprecedented challenges. It has never been more important that we invest time and energy and resources on children's ministry. We believe God is stirring a renewing and children are part of His plan. To enable this, we are passionate about raising up our children's workers across the country.

Our children's ministry leaders continue to play a crucial role in facilitating the spiritual development of our children, reaching into communities and encouraging each child to discover their God-given potential.

The children's workers track is now a significant part of Summit. It provides a great opportunity to connect, equip, encourage and inspire those with a heart to see God move amongst our children.

The sessions will be fun, interactive and engaging – including a mix of practical tools, fresh perspectives and inspirational teaching.

Christians
as citizens

Following Christ transforms all aspects of our lives. Jesus is Lord in our family life, when we're at work, in our responsibilities as citizens, and more. If we want to be faithful and effective Christian citizens, we need to pay particular attention to what it means to truly engage with wider society.
